

ROYAL OBSERVER CORPS

SHREWSBURY GROUP - DORRINGTON POST

GROUPS OLDEST MEMBER PASSED AWAY

Shrewsbury Group's oldest member **Richard 'Dickie' Price**, formerly Chief Observer at 16/G3 post Dorrington has passed away at the age of 105. It is only very recently that Dickie moved out of his home, where he lived alone and cared for himself and his garden, into residential care.

For his 100th birthday he was invited into the base at RAF Shawbury for a tour and in 2016 was guest of honour at Dorrington Village Hall at the unveiling of a plaque recording the history of the post.

The photograph shows Dickie on that day having 'borrowed' the headgear of a visiting RAF officer with the plaque in the background.

He served during WW2 and was awarded the ROC medal in 1958. **R I P**
