100th Anniversary Planning Survey for Indicative Attendance at 2025 Events

National Committee need to have an idea of numbers likely to attend the National Commemoration Service on Saturday 25th October at 11am in St Clement Danes Church followed by a buffet Reception at the Union Jack Club (UJC) and those who would need coach transport from the Church to the UJC. Entry to the Reception will be by purchased ticket to cover the buffet and room hire, cost to be advised.

It is also planned to hold the National Reunion in late September and an indication of numbers likely to attend would be helpful with our planning.

All replies to Tony Mills by 30th September 2024 who will collate the information for the Committee planning meeting to be held at the Reunion.
