

## 2016 ARMED FORCES DAY IN LINCOLN

Whilst the National Parade this year was going on at Cleethorpes, just down the road Lincoln ROCA were supporting the event in the city centre.

### **Group Chairman Peter Jex writes:-**

*Due to major redevelopment work in Lincoln City centre, our usual venue for AFD, The City Square, was not available this year so all the activity took place on the High Street where our Association was fortunate to have acquired a double stand.*

*Despite the National event being held at Cleethorpes, in the north of the county, we had huge crowds and were kept very busy. Our usual theme of publicising the ROC Benevolent Fund generated a number of enquiries.*

*The Waddington Pipe Band was in attendance along with Military Vehicles and Re-enactment groups, plus members of The Royal British Legion collecting for their National Poppy Appeal.*

*Lincoln ROC Association is a member of LExSA, The Lincoln ex services association and is regularly included in all veteran and ex service activities  
Another good day.*

Group Standard Bearer Bill Warwick is fourth from right.
