Event 1. Beacon Lighting. Thursday 2nd June 21:15 - 22:00. We have a 30 strong Choir and a pucker Scottish Piper, who will singing/playing two specially arranged pieces of music. The beacon with 1500 others nationally and throughout the commonwealth will be lit precisely at 21:45.

Our beacon was installed 2018 to mark 100 years since the end of WWI. It was installed knowing it would be used for future community events.

The **Queens Jubilee** is a perfect excuse. Kingswood Community Transport (KCT) have kindly offered to transport residents from Warmley Community Centre to the Beacon.

Event 2. Jubilee Celebration. Friday 3rd June 13:00 - 21:00. We're using Warmley Forest Park to host our jubilee extravaganza. We have a full days program of live entertainment, plus 32 market stalls.

We have applied for and been granted a RAF fly-past of 3 vintage planes. At precisely 14:38 a Spitfire, Hurricane and Lancaster will fly directly over our event. With many people in this area working for Rolls-Royce people will love to hear the Merlin engines purring majestically above us.
