

Broadway Tower Memorial Service

Whitley Bomber Memorial Service and Act of Remembrance
Thursday June 2nd 2016

There was an excellent turn out of ROCA members at this year's event on a fine, but slightly windy day,

Those present were:

John Billinton carrying the 3 Group Standard, Peter Denton-Tervit, Terry Penn, Margaret Boyes and friend, Gerry Beckett and his daughter, Derek & Mrs Pepper and, a surprise visit from National Secretary Jenny Morris, who took a lot of photos.

12 Standards from branches of RAFA and the Royal British Legion, paraded together with the 3 Group ROCA Standard.

When the Service was over, we proceeded down to the on site Café where we were treated to Coffee, Tea, Sandwiches and cakes, all very kindly prepared and provided by the Cafe owners. This very nice gesture was very much appreciated by all of us.

John Billinton. ROCA 3 Group Events Secretary.
