

**The recipients of the Jock Burnie Memorial Trophy are
Paul Norris, Paul Wakefield and Keith Arnold**

The “two Paul’s” as they are known are nationally recognised throughout the Association for their work in setting up the Newhaven Fort display, along with their colleague Ian Burrows who has sadly passed away.

They have worked tirelessly over many years to bring the Corps history, both Wartime and Cold War, to the public on Open Days, revitalising the displays as necessary.

Following the hand-over from the ROC Benevolent Fund some years ago they have worked to ensure that the future of the ROC display can remain in the Fort for years to come.

Unfortunately during the Pandemic when access was denied, a room suffered water damage, this had damaged some of the exhibits, however the ‘two Paul’s’ worked on the damage and the site is once again pristine.

Together with this Citation we include Keith Arnold, when he moved to the South Coast he offered his services, he was accepted, and the three have formed a very good team.
