

HOLBEACH POST OPEN DAYS

Once again, Heritage Lincolnshire will be opening Holbeach post to the public as part of national Heritage Open Days on Thursday 7th September. Booking is essential as per details attached. It would be appreciated if you can publicise this in your newsletters/on your websites/emails, etc. Also, please remind potential visitors that the road is busy and they should park carefully.

As always, we would welcome support from former ROC members on the day – please let Heritage Lincs know if you are available.
