

## HOLBEACH POST – LINCOLN GROUP OPEN DAYS 2016

*An article by Charles Parker*

The sun smiled on us for Heritage Open Days this summer and we were able to run five tours of the underground post at Holbeach.

We had 52 visitors 45 on the first day, of which went underground, plus 7 more who came on the day and just spoke to **Frank** and looked at the displays. Once again, **Ian** and **Alex** from **Heritage Lincs** pulled out all of the stops to make the day successful. It was supported by ex-Head Observer **Frank Sauntson**, his wife **Jean** and me. As usual, everyone was extremely interested in the story of the ROC and why the post was built and we got some very good feedback. Look out for the next open days in 2017.

A plea to all ex members - we are getting pretty desperate for volunteers to help with the post openings and maintenance. I live about 40 miles away so it's not really a practical proposition for me to do any more than I already do but I enjoy these days as it gives us an opportunity to engage with the public.

***If there are any ex-ROC members in the area that would be prepared to help we really need them to come forward.***

Many thanks,

**Charles**
