

Obituary: Mrs Freda Styles

Members of 15 Group Lincoln were saddened by the sudden death of Freda Styles on February 10th after a short illness. Freda was Admin Officer 15 Group for many years having joined the civilian staff at GHQ Fiskerton in the early 1960's as a typist. She remained in post until Stand Down .

Freda was well known throughout the Corps and made many friends through her work and during her attendance at camps and courses. She was a mine of information yet the soul of discretion and knew everyone in the Group.

Freda lived in Fiskerton Village and outside of her Corps work was extremely active in Village affairs. She was a member of the Parochial Church Council and a member of the Gardening club. With her partner John Fletcher she had participated in recent years in putting on displays of Royal Observer Corps heritage in the village Church which drew considerable interest from around the County and in the process helped raise money for Church Funds.

Freda was a member of Lincoln Branch ROCA and was a friend to all. She will be greatly missed.
