SPECIAL INSTRUCTIONS ANNUAL REUNION - 2021

We appreciate there will be several members for various reasons who will be unwilling to attend this year's Reunion.

If we do not get the usual numbers we plan to hold a much smaller social Reunion and need to gauge we have sufficient numbers to make a social weekend viable.

Thus in the first instance the booking form requests you to send the £30 deposit payable to ROCA to John Sharpe who will hold it in the ROCA Funds NOT passed to the hotel.

If the member decides they are unable to attend they will receive a full refund of the deposit. If nearer the date others decide they are able to attend later bookings will be accepted.

Note if the event is a social one on the Saturday there will be no ADM. Some of the usual hotel facilities are not open due to Covid19 and there are extra charges for parking and pets.

I plan to attend but will travel by train thus will save on the parking and fuel.

If you have any queries on the weekend please phone John Sharpe I have no further information.

This memo accompanies the weekend package details and booking form to gauge numbers willing to attend.

Jenny.
