Sir

On behalf of all members of the Royal Observer Corps Association, I offer our sincerest condolences to Your Majesty, The King, and the entire Royal Family on the passing of your mother, Her Majesty Queen Elizabeth II.

Her Majesty was a much loved and respected Commander-in-Chief of the Royal Observer Corps and it gave us great pride on the occasions she wore the brooch that had been presented to her by her loyal Observers. We will be eternally grateful to Her Majesty for the honour she granted us by Her Royal Patronage.

We offer Your Majesty our heartfelt loyalty, devotion and good wishes, as we do to Her Majesty, the Queen Consort and all the other members of your Royal Family.

John Sharpe M.B.E.  
National Chairman
