#### Next Steps Report from the National Committee – The way ahead

The discussion group has now been formed.

Volunteers who will meet for the first time shortly are:-

**Murray Whitcher** (Chair), **Tim Kitching** (20 Grp), **John Lawrence** (14 Grp), **Michael Marks** (7 Grp), **Jenny Morris** (12 Grp), & **Terry Penn** (3 Grp).

The priority questions for discussion are:-

- ☐ *Review the options for the selection, and election of the member's representation.*
- ☐ *The National Committee will look at the viability to reshape itself away from the Area focus and if this is appropriate to replace with an alternative selection process.*
- ☐ *To look at who is best placed to be the member's representative for example should this be a representative selected from the Group Chairman, on a regional, geographical, Group Cluster basis based on membership levels.*
- ☐ *Part of the review will include the overall Committee structure and the current process for election of the Officers.*

The aim is for the group to discuss ideas and to be in a position to report their findings to ADM Delegates in October 2013.
