

## YEovil GROUP AGM & LUNCH THE OLD BARN CLUB

Jenny Morris – Southern Area Rep

Southern Area Groups like most around the Country combine their AGM with a lunch, Yeovil is no exception. In fact listening to the Chairman's report there had been many gatherings by Yeovil members during the year that involved a meal in one form or another.

After a splendid carvery Hilary Daniel opened the short business meeting handing over to John Norman, 9 Group President, to address the members.

Group Secretary Bill Anderson & Chairman Hilary Daniel

I was introduced to Betty Nutt who in 1944 following her marriage left the family farm and moved to Bristol. Given the option to do war work in a factory or the ROC she chose to be a plotter in the Bristol ROC HQ. Recalling how she walked through a lovely Park on her way to GHQ I realised this was the very same Park by my home Betty had lived a stone throw from my current home.

Betty thoroughly enjoyed her short period as a plotter she stood down in 1946 and regrets she did not have the opportunity to re-join due to her family commitments.

President John Norman discusses a point with Bill
